

2025 Camper Transportation Information

Camp Ramah will be offering transportation from/to regional airports for all campers flying to camp. In addition, for local families, we will provide shuttle service from San Jose Intl. Airport and Foster City (specific location TBD). There is no additional fee for shuttle services.

Please be sure to complete the online travel form found in your CampInTouch portal by May 1 so we know how your camper will arrive at camp, and whether your camper will be dropped off by car or taking a plane to camp. Specific health and safety requirements for traveling to camp will be sent to families closer to the start of camp.

Please see the next few pages for information and instructions about flying, driving, or taking a shuttle to camp.

Flying to/from Camp

For those who will be flying to camp from out of the area, we have listed suggested flights in our arrival window of **9:00 am - 12:00 pm** primarily into San Jose airport (SJC).

We have also suggested flights primarily from SJC during our departure window **1:00 pm - 4:00 pm** on the final day of each session.

We ask that you only book flights within the identified travel window to guarantee that our staff can provide transportation for your camper(s) to and from camp. If you choose not to book the suggested flights, we ask that you prioritize flights into SJC. If you cannot find a flight to/from SJC during our travel window, we kindly ask that you email Nitzan Bochner Loewenberg at nitzan@ramahnorcal.org to coordinate alternative transportation plans.

All flights arriving within our travel window (9:00 am to 12:00 pm) are met by Ramah staff at the gates. Ramah staff will then escort arriving campers to baggage claim. Also, all departing flights within our travel window (1:00 pm to 4:00 pm) will have Ramah staff escorting campers through security to their gates.

Ramah staff may not be able to assist campers at the airport who are traveling on flights outside these windows and parents will need to make other arrangements for transportation to/from camp.

Unaccompanied Minors: Any young camper who will be flying as an official “unaccompanied minor”, for which their family is paying the airline an additional fee, must notify us prior to booking.

Flight times must still be within the time windows shown. Should anything change at the last minute with regards to flight arrivals/departures, we will contact camp families directly via phone and or email.

While our staff members do their best to be at each gate on time, please remember that there are many flights arriving very close together and our staff may just be a few gates down. Please have your child wait at their gate.
- Campers flying as unaccompanied minors must contact us prior to booking these flights.
- Ramah staff will be at the airport by 9:00 am.

1. Passengers should remain seated at all times with hands and arms inside the vehicle.
2. Seatbelts should be fastened – one person per seatbelt.
3. Noise level should be such as to not distract the driver. There should be no throwing of objects or other disruptive behavior.
